Heat butter in a pan. Sauté onions over low to medium heat for approximately 5 minutes until translucent. Add white wine and let it simmer briefly. Add vegetable stock, cover and simmer for approximately 20 minutes. Purée the soup with a hand blender and strain through a sieve. Bring the soup back to the boil, then gradually blend in the butter cubes using the hand blender. Whip the cream until stiff. Season the soup to taste with lime juice, salt and pepper, and serve with the whipped cream.
